

TASKI®

Sani MouldOut

Mould and mildew remover

Description

Chlorinated cleaner to remove mould and mildew from cement and other grouting (black grouts).

Key properties

- Chlorine and detergent based formulation
- Cleans and removes malodours at the same time

Benefits

- Highly effective at removing fungus, bacteria, soap residues, body fat and other malodour creating sources
- Hygienically cleans grouting

Use instructions

1. Spray onto affected areas and allow suitable contact time.
2. For stubborn stains agitate with brush or scourer, rinse thoroughly and buff to shine when dry.

Dosage:

Ready to use, no dilution required.
